Please note: This deadline will be accepting applications to support initiatives that take place between April 1st, 2024, to September 30th, 2024.

BUSINESS GUIDELINES

1. Applications must be completed and received on or before the deadline.
2. Applicants may only apply for travel initiatives that occur between the dates outlined in the two grant intakes. Please note which deadline intake your initiative falls under. If your initiative overlaps with both deadlines, please contact our team and we'd be happy to provide direction.
3. No applicant may receive further assistance under this program if an application from a previous grant or honorarium remains incomplete.
4. Grant contributions are limited to 75% of the total eligible expenses, and to a maximum of **\$2,000 CAD** per application.
5. Applicants must claim all confirmed guarantees, contract fees, confirmed government grants or additional funding sources (e.g., FACTOR, Creative BC, SOCAN, Canada Council, etc.) Public funding

sources from any source or other public agency - in combination with their Music BC contribution - may equal *but not exceed* 75% of the eligible project expenses (Less GST/HST).

6. Applications must name one company representative as the applicant; however, funding is limited to two company representatives per application. For clarity, Music BC will only accept one application per initiative. If two individuals working for the same company are attending the initiative, they must be on the same application. Details must be provided as to why you are sending two representatives.

7. Applicants must be representing for-profit companies, partnerships, or sole proprietorships. The Company's headquarters must reside within and pay taxes in BC, while the purpose of The Company must be to predominately support BC-based talent. No more than 50% of Company representatives listed on an application may reside outside of BC; those who are BC-based must have held a BC address for **at least 200 of the 365 days immediately preceding the date of application**. The Company must have been in operation for at least two years or have key personnel with a minimum of two years of experience. Music BC reserves the right to request proof of residency, citizenship, and business registration, and to assess each application on a case-by-case basis as required.

8. Applicants that are individuals must have resided in BC for **at least 200 of the 365 days immediately preceding the date of the application**. Individuals must have a history of doing business in the music industry for at least two years. Music BC reserves the right to request proof of residency, citizenship, and business history.

9. Eligible travel activities include attending music industry conferences and trade missions at recognized industry festivals and events that are occurring at least 300 km, or roughly 4 hours outside of the company or individual's geographical area. Expenses may also be considered for travel to attend meetings and business activities – a detailed itinerary must be provided with confirmation of activities if so and must include the individuals name, role, and company when listing confirmed or pending meetings. Please note, and until further notice, business travel applications for Canadian Music Week and award shows will not be accepted.

10. Artists may also apply under the business travel grant program if they are traveling for business development purposes and not for performing or showcasing – for example, radio promotion tours, official songwriting retreats or residencies (please include an invite letter from the presenting organization), attending conferences or trade missions. A detailed itinerary of activities must be provided with confirmation of activities.

11. Applicants are required to complete a report detailing the outcome of their funding including measurable results, business contacts, actual and potential deals secured as a result of the initiative. This report will be required in order to receive the final funding payment.

12. As a condition of funding, recipients are required to acknowledge funding assistance on all public print, digital and online materials (including social media mentions when possible) related to the project being funded as follows: "Supported by Music BC, Creative BC and the Province of British Columbia." Grant recipients will be required to submit examples of acknowledgement and approved logo use in their final report. Specific instructions regarding credit, acknowledgment and logo use for the Province of British Columbia are available on the Creative BC website:

13. Businesses and Artists may submit a **maximum of two applications per deadline** (including applications to the artist travel category). Funding for a successful grant application may not be transferred to another grant application. A qualifying applicant and project do not guarantee approval. As each grant deadline is competitive, Artists and Businesses are encouraged to source out alternative funding options.

14. Applicants do not need a Music BC membership to apply.

ADJUDICATION AND METHOD OF PAYMENT

Music BC will select an anonymous, independent, and fair peer adjudication panel comprising of three to five persons representing artists, music industry professionals and a range of music genres. Juries will review applications within eight (8) weeks after an application deadline to select grant recipients. All jurors are required to acknowledge any potential conflict of interest to ensure adjudication fairness.

Applications will be assessed on the completed application form and the quality of the support material. Music BC has the discretion to award less than the amount requested.

Applications will be assessed based on the following criteria:

- the career leveraging and business opportunities outlined in the initiative plan;
- the attainability of outlined goals and outcomes; and
- a complete and realistic budget

Emphasis will be given to applicants who have yet to receive significant funding from Music BC. For applicants who have received support through our travel grant program, consideration will be given to initiatives or markets that have not yet been attended, visited, or funded.

Successful applicants will be presented a contractual agreement. Upon completion and return of a signed agreement, 75% of the award will be released to the applicant. To receive the final payment, applicants must submit a completed final report form (supplied by Music BC upon completion of initiative). The report form should highlight key successes that resulted from the initiative, and be accompanied by a spreadsheet of expenses, and organized copies of invoices or receipts and proof of payments of those expenses. Proof of payments can include bank statements, returned cheques, e-transfer or wire transfer confirmations. If you are providing a bank statement, please include the following information – your name, the last four digitals of your card, your address and the expenses listed on the cost report.

Significant changes to the initiative must be brought to Music BC's attention for approval. If the initiative is cancelled or altered in any way without the consent of Music BC, the applicant must immediately return any monies given to the applicant by Music BC. Music BC reserves the right to pay awards by instalments other than what is outlined above or to withhold any portion of the award, pending completion or submission of the required documents. Note that Music BC can revoke funding at any time at the reasonable discretion of the Executive Director (with Board approval).
